OUTSTANDING PERFORMANCE, GENEROUS SPACES, AND A BOLD PERSONALITY.

Designed by Hot Lab, this model strikes the perfect balance between performance and comfort. Featuring 86 sqm of expertly distributed outdoor space, it delivers an extraordinary onboard experience.

STRONG PERSONALITY

The yacht's vertical development required careful study of proportions, resulting in a dynamic bow that enhances its sporty yet marine look. Its innovative design gives it a distinctive character that stands out in any marina.

ENDLESS RELAXATION

Livability is exceptional across all areas: 86 square meters of carefully arranged outdoor spaces span the bow and stern on the main deck.

The over-50 sqm beach club allows guests to enjoy a seamless connection to the sea, with a cockpit that gently cascades over three levels down to the water.

EXPERIENCE THE HORIZON AS YOUR LIVING SPACE.

The aft galley—connected to the exterior via a retractable glass partition—fosters a more informal, convivial atmosphere. The interiors feature clean lines, premium materials, and clever design solutions that emphasize light, openness, and contemporary elegance.

PHILOSOPHY OF PLEASURE

A wider hull than others in its class ensures surprisingly spacious interiors—typically found on larger yachts. The ideal setting for relaxed social moments and alfresco dining.

TECHNICAL DATA

GENERAL INFORMATION

SHIPYARD	EXTRA YACHTS
MODEL	X90 FAST
HULL	PLANING WITH SPRAYRAIL
CLASSIFICATION	CE CATEGORY B

PROJECT TEAM

NAVAL ARCHITECT	EXTRA YACHTS
EXTERIOR DESIGN	EXTRA YACHTS / HOT LAB
INTERIOR DESIGN	EXTRA YACHTS / HOT LAB

TECHNICAL SPECIFICATIONS

HULL MATERIAL	GRP
S/STRUCTURE MATERIAL	GRP
LOA	27.5 M / 90.22 FT
MAXIMUM BEAM	7.1 M / 23.2 FT
DRAUGHT AT FULL LOAD	1.75 M / 5.7 FT
DISPLACEMENT AT FULL LOAD	85 T

CAPACITY

FUEL OIL	7500 LT / 1981.29 GAL
FRESH WATER	1250 LT / 396.25 GAL
GREYWATER	400 LT / 105.67 GAL
BLACK WATER	600 LT / 158.5 GAL

MACHINERY

ENGINES	3 X IPS 1350 VOLVO PENTA
ENGINE POWER	3 X 1000 HP
THRUSTERS	ELECTRIC 20 HP
STABILIZER	FINS OR SEAKEEPER

PERFORMANCE

MAX SPEED	29 KNOTS
CRUISING SPEED	23 KNOTS
RANGE AT 12 KN	800 NM

ACCOMMODATION

PASSENGERS CABINS	8/4
CREW CABINS	4/2

OPTIONAL

OPTIONAL EQUIPMENTS EXTERIOR

A SPIRIT OF INNOVATION

The EXTRA Yachts line stands out for its unique combination of exclusive qualities, which create a distinctive yachting experience and introducing a new philosophy of “going out to sea”.

Each yacht reflects a desire for harmony with the sea, offering complete customization options, exceptional comfort while cruising thanks to great seaworthiness, and reduced noise levels.

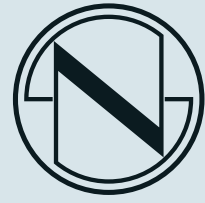

Every yacht is designed to achieve low fuel consumption, promoting environmental sustainability while ensuring long-range cruising capabilities.

Their greater beam compared to yachts of similar size sets a new volume's standard in the segment, especially in the bridge and salon areas. The EXTRA Yachts range includes three distinct lines (FAST, TRIPLEX, and GLOBAL) ranging from 56 to 130 feet, along with a 30m catamaran called VILLA.

The models are built using composite materials reinforced with carbon fiber or aluminum.

ABOUT PALUMBO SUPERYACHTS

Palumbo Superyachts began to take root in 2008, when the Columbus Yachts brand was established, and in 2011 launched its first 54 metre superyacht, emblematically christened “Prima” (“the First”).

Today, Palumbo Superyachts is a key global market player in the construction of yachts and superyachts made in composite and metal.

Palumbo Superyachts comprises 2 shipyards in the Mediterranean (Ancona and Savona) operating under just as many world-renowned brand names: ISA Yachts, Columbus Yachts, Mondomarine and Extra Yachts.
