

2021 PERSHING 8X

The Pershing 8X is the ultimate expression of speed, style, and advanced engineering. Built with an extensive carbon-fiber structure, this high-performance yacht delivers explosive acceleration, exceptional handling, and remarkable efficiency, all wrapped in an unmistakably aggressive Italian design that commands attention in any marina.

Its sleek aerodynamic profile and iconic side wings are not just visual statements; they are precision-engineered to enhance stability and performance at high speeds. With a top speed of 48 knots, the Pershing 8X offers a driving experience few yachts in its class can match.

At the helm, all navigation, propulsion, and monitoring systems are seamlessly integrated into a centralized control station, allowing the captain to operate the yacht with total confidence and precision. Advanced maneuvering technology ensures effortless docking and smooth control, even in challenging conditions.

Below deck, the Pershing 8X reveals a sophisticated and contemporary interior designed for both luxury and functionality. Expansive living spaces, premium materials, and abundant natural light create an environment that is as comfortable as it is striking, ideal for entertaining or extended cruising.

This yacht is offered in turn-key condition with only 320 engine hours, representing an exceptional opportunity to acquire a high-performance Pershing that is ready for immediate enjoyment.

A rare chance to own a true icon of speed and prestige.

Specifications
